

Infused Apple

Apple slices and dices are infused with apple concentrate and soft-dried to produce a long-lasting product with a natural fruit taste and mouth feel.

We add fruit concentrates and natural flavours to the process for flavour variations.

Examples of available flavours include: cinnamon and blackcurrant.

The slices and dices are soft-dried using warm air to maintain the fruit taste and texture.

Key Benefits

- Natural fruit snack
- Naturally sweet
- No sulphites or preservatives
- Versatile flavour and appearance
- Long shelf life
- Can be used in baked goods and cereals

Ingredients

100% New Zealand Apples
