ABOUT COMPANY

LEADER ON THE FISH MARKET

UNIVERSAL FISH COMPANY WAS FOUNDED IN 1996 AND EVER SINCE IT'S CONSTANTLY DEVELOPING ALL BUSINESS DIRECTIONS: IMPORT OF FISH AND SEAFOOD, PRODUCTION, TRADING ON LOCAL MARKET AND EXPORT.

TODAY UFC IS THE LARGEST MANUFACTURER OF FISH PRODUCTS IN UKRAINE, WITH 2 BIGGEST PRODUCTION PLANTS (total of 30.000 sq. m) AND OVER 1200 EMPLOYEES.

Our current production operations consist of 6 specialized production areas such as:

**SALMON
FACTORY**

**CAVIAR
FACTORY**

**SEAFOOD
FACTORY**

**PRESERVES
FACTORY**

**FRESH FREEZE
AND SEMI-FINISHED
FACTORY**

SMOKE HOUSE

WE ALWAYS DEVELOP AND IMPROVE OUR PRODUCTION FACILITIES. THE LATEST EQUIPMENT, MODERN TECHNOLOGIES AND OWN LABORATORY ALLOWS US TO CONTROL QUALITY AT EVERY STAGE OF PRODUCTION.

SUPERIOR QUALITY

TODAY UFC UNITES A GROUP OF COMPANIES PROVIDING A COMPLETE OPERATION CYCLE: FROM FISH AND SEAFOOD IMPORT TO VALUE-ADDED PRODUCTS, PRODUCTION, LOGISTICS AND SALES.

**TOP QUALITY OF
THE PRODUCTS**

**OPINION OF OUR
CONSUMERS**

**FLEXIBILITY OF
THE PRODUCTION**

**TRUST OF THE
BUSINESS PARTNERS**

**DEVELOPMENT AND
PROFESSIONALISM OF THE
COMPANY EMPLOYEES**

**CONTINUOUS
MODERNISATION
OF PRODUCTION**

The quality of our products is being controlled at all stages: catching, processing, delivery, storage and control of representation on the supermarkets' shelves. All UFC production areas are equipped with our own high-tech world standard labs. The laboratories use the most modern equipment and employ qualified specialists. The constant thorough control ensures the absolute safety of all products produced under our brands or private label. The level of quality and safety is confirmed by our foreign partners from all over the world, our products meet requirements of highly developed markets. This approach to production process has been keeping us among the leading Ukrainian fish producers for many years.

WORLDWIDE IMPORT

UFC is known to be indisputable leader in fresh fish import being driven to provide the best quality products and outstanding service. All our raw materials are imported from our selected suppliers from all over the world: Norway, Iceland, Scotland, Spain, USA, Canada, Brazil, Chile, Turkey, Argentina, China, Vietnam, Indonesia, Australia and New Zealand.

WORLDWIDE EXPORT

Since 2014 UFC actively started to expand its sales geography to many international markets. Today Universal Fish Company exports its products to over 13 countries all over the world. Since early 2016 UFC has been operating in such countries as the USA, Canada, Germany, Georgia, Turkmenistan, Azerbaijan, Bulgaria and Moldova, the UAE, Israel, Estonia, the Czech Republic, Australia.

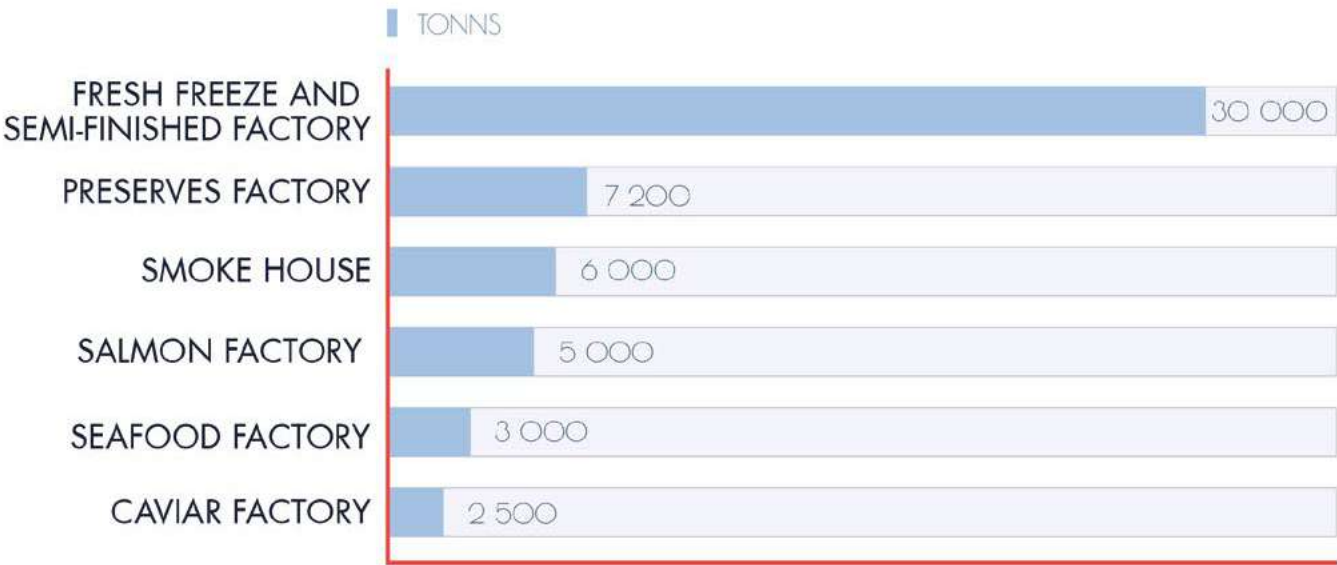

LOGISTICS

The entire sales system of the company has a full own logistic platform, equipped to meet international standards. Overall capacity of our logistics platforms allows us to store 30.000 tons of products under different temperature conditions. Our own, special transport fleet guarantees efficient transportation and timely delivery of our products. Company constantly invests in upgrading its transport vehicles to the highest standards, with fully equipped refrigeration systems to ensure quality transportation worldwide.

In 2018 UFC was certificated by ASSOCIATION OF INTERNATIONAL AUTOMOBILE TRANSPORTATION. This allows UFC to provide quality logistics all around the world.
