TROPICAL MARIA FROZEN FRUIT PUREE

Tropical Maria fruit puree is made with healthy fresh fruit grown under the tropical sun. We mash and freeze the freshly harvested fruit without adding any additives or colorants, allowing you to enjoy the taste and health benefits of the fruit itself.

Together, the land of Brazil and Colombia occupy more than half the South American continent and includes a variety of climatic zones ranging from the subtropical zone to the frigid zone. This vast area nurtures a majority of the fruit including Amazonian and tropical fruit as well as other popular fruit.

Mango

The queen of fruit has more carotenoids than most other fruit, which helps prevent colds and reduce the risk of cancer and heart disease.

Product	Frozen Puree Mango
Ingredients	Puree (Mango), Sugar
Origin	Colombia/Brasil
Packing	1.000g(100g x 10 Units)x 8 Bags
Shelf life	Two years

Mora (Andesberry)

Rich in antioxidants polyphenol and anthocyanin, the Andean blackberry helps improve eyesight, and fight cancer and heart disease.

Product	Frozen Puree Mora
Ingredients	Puree (Mora), Sugar
Origin	Colombia
Packing	900g (90g x 10Unit)x 8 Bags
Shelf life	Two years

Guava

This pink fruit has about 20 times more vitamin C than an orange. What's more, guava is the only fruit that contains 16 vitamins. The perfect cold buster!

Product	Frozen Puree Guava
Ingredients	Puree (Guava), Sugar
Origin	Colombia
Packing	900g (90g x 10Unit) x 8 Bags
Shelf life	Two years

Passionfruit

This tangy fruit has a high amount of potassium, which lowers blood pressure and reduces stress. It is often used as a sedative.

Product	Frozen Puree Passion Fruit
Ingredients	Puree (Passion Fruit), Sugar
Origin	Colombia
Packing	900g (90g x 10 Units) x 8 Bags
Shelf life	Two years

Guanabana (Soursop)

This creamy, white fruit has an unforgettable delicate taste that blends sweetness and acidity. Full of fiber, this fruit cleanses the body and helps with digestion.

Product	Frozen Puree Guanabana
Ingredients	Puree (Guanabana), Sugar
Origin	Colombia
Packing	900g (90g x 10 Units) x 8 Bags
Shelf life	Two years

Papaya

The papaya is a good source of vitamin C, beta-carotene and potassium. It contains papain, an enzyme that aids digestion.

Product	Frozen Puree Papaya
Ingredients	Puree (Papaya), Sugar
Origin	Colombia
Packing	900g (90g x 10 Units) x 8 Bags
Shelf life	Two years

Lulo

This refreshing, exotic, sour fruit relieves stress and helps cure insomnia.

Product	Frozen Puree Lulo
Ingredients	Puree (Lulo), Sugar
Origin	Colombia
Packing	900g (90g x 10 Units) x 8 Bags
Shelf life	Two years

Tree Tomato

Originally from South America, this bright orange fruit is a member of the tomato family. Rich in lycopene, betacarotene and vitamin A, this fruit is used to stimulate the defense system.

Product	Frozen Puree Tree Tomato
Ingredients	Puree (Tree Tomato), Sugar
Origin	Colombia
Packing	900g (90g x 10 Units) x 8 Bags
Shelf life	Two years

Pineapple

Pineapple is almost synonymous with tropical fruits. Its moderate sourness is very refreshing. This fruit contains BROMELAIN, a proteolytic enzyme which helps to digest meats.

Product	Frozen Puree Pineapple
Ingredients	Puree (Pineapple), Sugar
Origin	Colombia
Packing	900g (90g x 10 Units) x 8 Bags
Shelf life	Two years

Star Fruit

The five-angled, unique-shaped fruit is rich in vitamins A and C and iron. It is also a good source of fiber. The taste is said to resemble a combination of plum, pineapple and melon.

Product	Frozen Puree Star Fruit
Ingredients	Puree (Star Fruit), Sugar
Origin	Brasil
Packing	1.100g (100g x 10 Units) x 8 Bags
Shelf life	Two years

Açaí

The açai is a small, purple rainforest berry that grows in the Amazon. It is loaded with anti-oxidants, amino acids and essential fatty acids. It also contains high levels of polyphenol as well as iron, calcium and other important vitamins and minerals that provide us with energy.

Product	Frozen Puree Açai
Ingredients	Puree (Açaí), Sugar
Origin	Brasil
Packing	1.100g (100g x 10 Units) x 8 Bags
Shelf life	Two years

Strawberry

Strawberries, the world's most popular berry, are packed with vitamin C. Five strawberries contain more vitamin C than an orange. Strawberries also contain high levels of zinc, which aids growth, as well as folate, which helps improve memory and concentration, lowers the risk of heart disease, and promotes healthy pregnancies.

Product	Frozen Puree Strawberry
Ingredients	Puree (Strawberry), Sugar
Origin	Brasil
Packing	1.100g (110g x 10 Units) x 8 Bags
Shelf life	Two years

Banana

Bananas give an instant and substantial boost of energy thanks to their three natural sugars - sucrose, fructose and glucose. They are also an excellent source of potassium, which can help reduce the risk of high blood-pressure and strokes. Bananas are also a good source of fiber, manganese and vitamin C.

Product	Frozen Puree Banana
Ingredients	Puree (Banana), Sugar, Citric acid, ascorbic acid
Origin	Brasil
Packing	1.100g (110g x 10 Units) x 8 Bags
Shelf life	Two years

Kiwi

The kiwi is high in vitamin C, potassium, magnesium, dietary fiber and anti-oxidants, and is a good source of folic acid and vitamin E. Kiwis contain actinidin, which is effective in aiding digestion and intestinal disorders such as constipation and diarrhea.

Product	Frozen Puree Kiwi
Ingredients	Puree (Kiwi), Sugar
Origin	Brasil
Packing	1.100g (100g x 10 Units) x 8 Bags
Shelf life	Two years

Pitanga (Surinam Cherry)

The pitanga, also known as the "Surinam Cherry," originated in the northern part of South America. Presently, the pitanga is grown throughout Brazil where it is very popular. The small and interesting-shaped fruit is sweet-and-sour and aromatic. It is a good source of calcium and contains plenty of potassium which prevents high blood pressure.

Product	Frozen Puree Pitanga
Ingredients	Puree (Pitanga), Sugar
Origin	Brasil
Packing	1.100g (100g x 10 Units) x 8 Bags
Shelf life	Two years

Acerola

The acerola is a small bright red berry that contains nearly 55 times as much vitamin C as a lemon. It is also a powerful antioxidant rich in protein and minerals such as iron, calcium and phosphorus. It also has a high carotene, magnesium, niacin and potassium content.

Product	Frozen Puree Acerola
Ingredients	Puree (Acerola), Sugar
Origin	Brasil
Packing	1.100g (100g x 10 Units) x 8 Bags
Shelf life	Two years

Umbu (Brazilian Plum)

The umbu, also known as the Brazilian plum, is native to Brazil. The round fruit is light yellow to red in color, around 2-4 cm in size, and has a leathery shell. The flesh is soft and juicy, with a sweet taste and distinct aroma. The fruit contains minerals and vitamin C.

Product	Frozen Puree Umbu
Ingredients	Puree (Umbu), Sugar
Origin	Brasil
Packing	1.100g (100g x 10 Units) x 8 Bags
Shelf life	Two years

Lime

The lime is a citrus fruit with a clean acidity and a hint of bitterness. The lime is an antibacterial and contains high levels of vitamin C and pectin which helps reduce blood cholesterol.

Product	Frozen Puree Lime
Ingredients	Puree (Lime), Sugar
Origin	Brasil
Packing	1.100g (100g x 10 Units) x 8 Bags
Shelf life	Two years

Melon

The musk melon belongs to the same family as the squash, cucumber and pumpkin, and grows on the ground on a trailing vine. It is extremely nutrient packed but is low in calories. It contains high levels of beta-carotene, folic acid, potassium, vitamin C and dietary fiber. The musk melon also contains a high level of vitamin B complex and contains laxative properties.

Product	Frozen Puree Melon
Ingredients	Puree (Melon), Sugar
Origin	Brasil
Packing	1.100g (100g x 10 Units) x 8 Bags
Shelf life	Two years

Peach

Peaches contain plenty of vitamin A, which works as an anti-aging ingredient. Peaches also contain β-carotene, a strong immunity-builder that helps prevent active oxygen damage created by stress, aging and smoking, and increases the immunity of the skin itself.

Product	Frozen Puree Peach
Ingredients	Puree (Peach), Sugar
Origin	Brasil
Packing	1.100g (100g x 10 Units) x 8 Bags
Shelf life	Two years

PALMITOS Hearts of Palm

Tropiko's slender, ivory-colored hearts of palm are grown in the tropical areas of Colombia. With their delicate flavor, they are delectable in fresh salads, gratin or other prepared dishes. They contain no preservatives or artificial ingredients, and are a good source of fiber.

Heart of palm	
Ingredients	The core of the palm, citric acid, salt
Origin	Colombia
solid content	220g
Content	400g
